

Overcoming Temptation: Jesus's Temptations

“But the free gift is not like the trespass. For if the many died through the one man’s [Adam’s] trespass, much more surely have the grace of God and the free gift in the grace of the one man, Jesus Christ, abounded for the many. And the free gift is not like the effect of the one man’s sin. For the judgement following one trespass brought condemnation, but the free gift following many trespasses brings justification. If, because of the one man’s trespass, death exercised dominion through that one, much more surely will those who receive the abundance of grace and the free gift of righteousness exercise dominion in life through the one man, Jesus Christ.”
– *Romans 5:15-17*

Overcoming Temptation

a Beautiful Savior Worship Series

Temptation is a real thing in everyone’s lives. It is part of a larger, invisible spiritual war that rages within us and within this world. Even Jesus was tempted, although he did not give into the temptation. This worship series focuses on the strength God offers to us to be equipped to resist temptation in its many forms. The series also enlightens us to some of the primary tactics that Satan uses to attack people, especially people seeking to know God better. As the Scriptures remind us, God desires for us to experience abundant life (John 10:10), while Satan seeks our death (John 8:44).
